**CHANGE IN DISMISSAL PROCEDURE**

Dear School #4 Families,

As you know, smooth, consistent procedures during dismissal are imperative in order to ensure the safe arrival home of your child. With safety and security in mind, we require adherence to your child's regular, normal mode of transportation on a consistent basis (**consistency on a weekly basis: parent pick up all week, bus home all week, etc.**).

If it becomes necessary to request a change in your child's dismissal procedures, this change must be presented to the school office in writing along with a follow-up phone call to the main office (sole form of electronic communication is never recommended).

**Last minute changes by telephone will not be permitted.  
 We ask that changes are kept to a minimum.**

We do understand that unexpected circumstances may arise; therefore, we ask that you use the following form for each instance that you request a change in your child's normal dismissal procedure. A phone call to the main office is also required.

Early pickups should occur **no later** than 3:00 p.m. during regular school days, and no later than **12:45** p.m. on early dismissal days.

Sincerely,  
*Lori Kelly*  
 Principal
